

Jack o' diamonds

Jack o' diamonds, Jack o' diamonds
Jack o' diamonds is a hard card to find.

When you play the game of life
There'll be trouble, there'll be strife
Jack o' diamonds is a hard card to find
Life is like a game of cards
But it's very, very hard
Jack o' diamonds is a hard card to find

Jack o' diamonds, Jack o' diamonds
Diamonds is a hard card to find
Jack o' diamonds, Jack o' diamonds
Diamonds is a hard card to find

Met a girl was broke my heart
Like of money made us part
Jack o' diamonds is a hard card to find
She said life is just a bet
But I've never won it yet
Jack o' diamonds is a hard card to find

Jack o' diamonds, Jack o' diamonds
Diamonds is a hard card to find
Jack o' diamonds, Jack o' diamonds
Diamonds is a hard card to find

(Instrumental Break)

Jack o' diamonds, Jack o' diamonds
Diamonds is a hard card to find
Jack o' diamonds, Jack o' diamonds
Diamonds is a hard card to find

When you throw diamonds back
You will never look back
Jack o' diamond is a hard card to find
But you may win you may loose
But you never can choose
Jack o' diamonds is a hard card to find

Jack o' diamonds, Jack o' diamonds
Diamonds is a hard card to find
Jack o' diamonds, Jack o' diamonds
Diamonds is a hard card to find
